

## **NA Denmark, Community Report August 2010**

In Denmark we have five areas and at the moment 127 meetings all over the country. All areas are attending the RSC and no service positions are vacant.

The NA highlight to many members this year was with no doubt that Denmark got seated at the WSC. Finally 😊

In July we made the first regional donation to WSO and EDM EVER!

The busy, but very small **Translation Committee** had a fertile meeting in July and is still working hard to get more translated literature out. A Guide To Local Service and The Step Working Guide are first in line. We are waiting and waiting for Just For Today...

10<sup>th</sup> of July NA Denmark had the very first Women Unity Day in Vejle, Jylland. The arrangement was a huge success and women from the entire country came to spend the day together.

**The PI committee** got a new chair and is busy working at many levels. New posters were printed and the helpline is busier than ever. PI is planning a new Recovery March again (see event list below).

Iver and Erik have done two workshops since the WSC. One on The New Service System and one on Money matters.

**Recovery March**, Copenhagen Area. August the 21th

Iver & Erik
