

Community Report
Winter EDM Zagreb 2013

Dear all delegates.

We are sorry we missed the deadline for the community reports. And we are more even sorry to let you know that we are not participating at this year's winter EDM. Thomas has been lucky to have a new job, but couldn't get the days off and Erik has a very bad back that demands three months special treatment twice a week on a clinic. But we really hope you all will have a great EDM!

We have 123 meetings in Denmark at the moment; 44 of them take place in Copenhagen.

The Danish RSC still need trusted servants. Still no chair or vice-chair, no vice-treasurer, only one secretary and all the sub-committees have no vice-chair. Our web-chair had to leave his position and at the moment a little handful of members take care of the web-site. We hope we will get more trusted servants soon... We do need them!

At the last RSC we decided to meet only twice a year. It is also expensive to meet three times a year and at the moment we have to be careful with the money. The donations are going down and in the near future we will decide if we are going to make some profit on books and merchandise.

All the sub-committees are doing an excellent work. The PI committee need trusted servants and the chair needs inspiration from other members. He is very often doing three men's work when he is doing his job. The areas have promised to get some more willing members to help PI.

H&I are growing stronger and bigger.

TC are busy working on The Step Working Guide (almost finished) and are very soon going to meet face-to-face all of the members.

RD & RDS continue to do workshops at the conventions and more and more members are participating and ask for more workshops. It really makes sense to do these workshops!

The RSC will make a inventory, trying to find out how to attract trusted servants and how we better take care of each other. Too many trusted servants burn out and have to leave service, some before time...

This year there will be NO service conference, no areas were interested to make a bid!

NA Events 2013:

Syddanmark Convention , 1.3 - 3.3, 6700 Esbjerg, www.nasyddanmark.dk

UNITYDAY SOV, April the 14th, 4760 Vordingborg
