

Denmark
Community Report
Summer EDM Athens 2014

Dear delegates

We have 129 meetings in Denmark at the moment; 46 of them takes place in Copenhagen.

The Danish RSC still have a lack of trusted servants. All the chairs of the sub-committees have no vice-chairs. And the PR have no chair & vice-chairs. On the other hand we now have , a new RD Alt, Brian H P, a new chair in the translation committee.

The region has planned to make a inventory at the next RSC meeting, and here are the headlines of the inventory:

How well has the RSC done it in the past year, compared to making NA's message more widely known in the larger community?

How well has the RSC serviced areas / groups in the past year?

How well has the RSC cooperation and worked with EDM and NA World Services in the last year?

H&I are growing stronger and bigger. We have participated in Northern California convention in Sacramento, by Skype, along with South Africa, England, Brazil, Italy and a few more, we got fifteen minutes and was introduced by Lance, from San Jose, California, who also helped with the establishment of H&I Denmark.

We continue to work on developing H&I, through workshops and our "Merchandise shop creates many contacts, and make members aware of the H&I work and those members who do service here, it's a big plus for us.

The areas chose an HI & PI project with training / learning days. For many reasons the project was a success.

Translation committee: The Step Working Guide is now translated into Danish and out as a draft in the community. TC they are now in the process of translating It Works How & Why.

Internet Committee

The Committee consists of the Chairman, webmaster, meeting list responsible, Event Manager, and future cases if the new guidelines for Internet Committee is approved.

The website is now completed with the new NA.dk site and it looks great so far.

RD/RDS is busy doing workshops on the Traditions Book Project.

What is working in the regional PR committee at the moment is:

Regional Helpline. With people attending calls between 18-20.

We are reaching out to still suffering addicts with posters placed in cities all over the entire country.

What help we need:

Are there any regions that use the new service system and what experience do you have with it.

We need help to get members involved in PR service. It seems like people are afraid of the requirements to do PR service and how to reach out.

We need help to understand what happened to our spiritual principle of anonymity that so many who upload NA pictures on facebook.

.

NA Events in Denmark (please visit our website for further information): <http://beta.nadanmark.dk>
